

Procedure for Nonbinding Capacity Inquiry for Storage RAG

According to our General Terms and Conditions for Storage Access (GTCSA) every market participant is entitled to submit a request for storage capacities of Storage RAG by completing the nonbinding capacity inquiry form or by sending a nonbinding e-mail. On our webpage <http://www.rag-energy-storage.at> under Downloads, where you can find our GTCSA, you can download the nonbinding capacity inquiry form.

Please send the completed form or an e-mail to office@rag-energy-storage.at or send the form by fax to +43 (0) 50 50724 5599. In case of any questions, please do not hesitate to contact one of our staff members.

A response will be sent to the submitter of a complete form or the sender of an e-mail within 4 weeks after its receipt.

Preconditions for access to Storage RAG are as follows:

- The interested party is registered as market participant in the distribution system
- The interested party has appropriate credit worthiness or accepts to deposit a bank guarantee upon conclusion of a storage contract.

Unfortunately incomplete forms cannot be taken into account and result in an automatic rejection.

After verification of the inquiry, free capacities will be allocated on a first come first served basis. In case capacities are not available at the time of inquiry, the inquiry will be ranked on a priority list in the order of its arrival.

As soon as capacities are available again, they will be published on our webpage. New capacities that are not yet available but under development, will be announced in a timely manner and will be allocated transparently and non-discriminatory on a first come first served basis.
